## **I. CALL TO ORDER**

The meeting was called to order at 3:30 p.m.

## **II. ANNOUNCEMENTS**

Philip Dawdy of the Seattle Weekly is the featured speaker at NAMI-Greater Seattle's Speaker Forum on July 20, 2004. Frank Jose announced that scholarships for attending trainings are still available for consumers.

Ron Sterling will present the results and summaries of the public forums at NAMI-Eastside on June 15, 2004.

## **III. PREVIOUS MEETING NOTES APPROVAL**

The meeting notes were approved unanimously with one change.

## **IV. REVIEW FORUM SUMMARY REPORT**

Recommendations to MHCADSD:

Defragmentize system and revisit the Community Support Programs (CSP) model (housing/employment and social, "one stop shopping"). Establish "one stop" centers with global services available on drop-in basis.

Coordinate publicity to educate communities regarding access to the mental health plan and available resources. Educate community systems (courts, hospitals, schools, etc.) about resources and reduce stigma.

**V. CLIENT OPERATED PROGRAMS IN KING COUNTY**

Steve Collins noted that five agencies (Community Psychiatric Clinic, Seattle Mental Health, Seattle Counseling Services, Harborview Mental Health, and Therapeutic Health Services) have clubhouse programs for their clients, but none are certified. Seattle Mental Health wants structured clubhouses in their residential facilities based on the Fountain House Model developed by the International Center for Clubhouse Development ([www.iccd.org](http://www.iccd.org)). The nearest certified clubhouse in the Puget Sound area is Rose House in North Pierce County.

**VI. MENTAL HEALTH PROVIDER SUMMARY REPORTS**

Mike Elsner, substituting for Liz Gilbert, asked QC members to bring their comments and questions on this to the next meeting. Summary Reports are now part of all 2004 provider contracts.

**VII. ADJOURNMENT**

The meeting adjourned at 5:00 p.m.
